Attendance Matters

COPPICE PRIMARY SCHOOL

Good attendance means ....

Being in school at least 96% of the time or between 180 to 190 days

If a child's attendance falls at or below 90%, it is officially classed as persistent absence.

That means your child is missing 10% or more of their possible school sessions across the year.

To put it in perspective:

- 90% attendance = about 1 day off every 2 weeks
- Over a full school year, that's roughly 19 days missed

Schools and local authorities monitor this closely because persistent absence is strongly linked to:

- Lower academic achievement
- Gaps in learning
- Safeguarding concerns

How can we support You?

We know that sometimes children and families need extra help.

Our school can support by:

- Working with families to improve attendance
- Offering pastoral and wellbeing support
- Helping with routines, punctuality and transition
- Signposting to local services when needed

Together, Let's Make Every Day Count
