What should I wear for Forest School at Coppice Primary School?

Trousers: it is recommended that long trousers are worn all year. Hardwearing trousers that are okay to get muddy or messy and will keep you warm in cooler months.

.

Tops for warmth: in cooler months, it is advised that you wear a number of different layers, you can remove or add a long sleeved top or jumper if you are hot or cold. The layers help to trap in the heat.

Waterproofs: A pair of waterproof trousers are recommended and a coat that will keep you dry and warm.
Wellington boots, walking boots or old trainers are ideal footwear- remember to bring another pair of shoes to change into and wear in school!

A full Water Bottle: it is important to stay hydrated whatever the weather.

.
Sun Hat and sun screen/lotion: essential in the summer to protect you from the sun.
Hat/Gloves/Scarf: are recommended during Autumn/Winter/Spring to keep you warm.

.
Remember to bring: School clothes, spare socks and school shoes to change into after Forest School session.
