- To provide **enabling environments**, in which their experiences respond to their individual needs and there is a **strong partnership**
  Between **practitioners and parents/carers**.

The Four Specific Areas are:

Induction

- **Home visits** for new children to Coppice on w/c 20.6.22 – parents should have received letters about this.

- **Stay and Plays** – the children will be divided into small groups, each group will come for a 1 hour stay and play session. One adult is expected to stay with each child for the duration, a great opportunity to explore the setting and meet some new faces – chidlren and adults! We are running 2 sessions w/c 4.7.22 and 5.9.22.

- In September we will run a **staggered intake** over two weeks to help facilitate a calm, nurturing settling in period. For the first few days, adults and children will get to know each other more quickly in smaller groups.

The children can leave a pair of wellies under their peg for outdoor play. Please bring a jacket to school everyday, it's great fun playing in the rain!

- Share toys and equipment?
