17th March 2025

Dear Parents/ Carers,

The children have worked extremely hard and reached 100 hearts on their one hundred square grid. To celebrate this achievement, the children have decided they would like to have a snacks and games afternoon.

This will be taking place on **Thursday 27th March 2025** in the afternoon during school time. The children will be playing board games and will also be provided with some colouring sheets. As this will be taking place during the school day, children will have lunch as normal and also be in their school uniform.

A party food list will be sent out in due course.

If you have any questions please do not hesitate to contact me.

Thank you for your continued support.

Miss Ahmed
