Wednesday 2nd October 2024

Dear Parents/Carers,

This year for Harvest, we will be collecting for the **Redbridge Foodbank** who provide support at several locations throughout Redbridge to help those most in need. A speaker from The Cristian Education Project will be joining us for an assembly on Wednesday 9th October 2024 and speak to the children about the significance of Harvest and the importance of donating.

At Coppice, we are striving to improve our links with the local community and beyond, helping the children to understand and appreciate how others live, as well as the impact their actions can have. Therefore, we kindly ask for you to donate whatever you can. You can make a change however big or small! Please drop any donations to the main school office by **Monday 11th November 2024**, suggested donations are tins, dried goods, toiletries and any other non-perishable items.

More information about the Redbridge Foodbank can be found on the attached link.

https://redbridge.foodbank.org.uk/

If you need further information please contact myself or the school office who will be happy to answer any queries.

Thank you for your continued support.

Miss Ahmed
