Wednesday 18th September 2024

Dear Parents/Carers,

As part of our History topic, Stone Age, Iron Age and Bronze Age, Year 3 will be taking part in Stone Age Day on **Tuesday 8th October 2024**. We will have a visitor come in to conduct a workshop which will take the children back in time to the Stone Age to help them understand life during this era.

The session will be held in school and run all day.

We encourage children to dress up as people would in the Stone Age, Iron Age and Bronze Age such as: animal print dresses/tops, headbands, leather armour etc. Children could also make their own weapons such as an axe, sword, dagger or bow and arrow, however please could these be made from cardboard and not sharp materials. There are costumes available online if you wish to purchase them for your child.
