Dear Parents and Carers,

For2feet will be visiting Coppice Primary school to provide Pedestrian Skills Training for Year 4 on Friday 28th March 2025. Children who participate in this training will learn essential road safety skills that will make them safer pedestrians.

Training will be done in groups with experienced instructors. Each group will receive a one hour training session on pavements around our school. A member of school staff will also accompany the training.

The training reminds the children of Stop, Look, Listen and includes:

- How to cross at junctions and near parked cars
- The dangers of cars reversing from driveways
