Monday 2nd June 2025

Dear Parents/Carers,

As part of our ICT topic, History of Computer Games, Year 3 will be attending the Science Museum on **Wednesday 18th June 2024.** They will immerse themselves in the hands-on gaming experience, featuring video games and consoles from the past 50 years from Pong to Pacman and Minecraft to Mario.

The session for 3A will run from 10:45am – 12:15pm
The session for 3K will run from 11:15am – 12.45pm

We will be travelling by public transport to South Kensington Station. There will be a tube change over at Mile End Station however, we will remain on the same platform and it is an easy and safe transition for the children. We will walk to the museum using the subway tunnel at South Kensington Station. The walk should take no longer than five minutes.

3A will be leaving school at 9:00am and 3K will be leaving at 9:30am so we ask that children are in school on time. We are hoping to arrive back at school for normal collection time.

Please ensure that your child is in school uniform, wearing comfortable walking shoes and a suitable coat. Please provide your child with a healthy packed lunch for the day as well as plenty of water as we are anticipating it to be a warm day. Please remember we are a healthy school and no fizzy drinks, sweets or treats should be allowed.

We would like to invite adults to join us if they are available but this will be on a 'first come, first serve' basis.

Thank you for your continued support.

Miss Ahmed and Mr Kasparis
