Tuesday 7th April 2026

Dear Parents/ Carers,

As part of our History studies of Victorians and Industrialisation, 3MA will be going to the London Museum Docklands on Thursday 30th April to explore the museum and attend a workshop.

We will be travelling by public transport to West India Quay DLR station. We will be leaving school at 9:30am, so we ask that children are in school on time. We will be arriving back to school at 2:45pm.

Please ensure that your child is in school uniform, wearing comfortable walking shoes and a suitable coat. Please provide your child with a healthy packed lunch for the day. Please remember we are a healthy school and no fizzy drinks, sweets or treats should be allowed.

We would like to invite adults to join us if they are available; places will be allocated using a random name generator to ensure that all volunteers have an equal opportunity to attend trips.

Thank you for your continued support.

Miss Ahmed
