Dear Parents/ Carers,

Your child has been selected to attend an additional two day booster session, which will be held during the holidays on the 7th and 8th of April.
These boosters will target reasoning in maths. They will be held from 9:00-11.45.

Please indicate via the parentmail form whether your child will be able to attend. We believe it is in your child's best interests to attend these booster session as this will help to secure a strong attainment outcome in maths.

As a form of compensation, children will be able to bring in snacks and drinks to give them sustenance and obviously be in non-uniform.

Thank you for your continued support.

Miss Baker and Mr Fernandez
