Dear Parents and Carers,

We are always looking for ways to improve and ensure our school continues to provide the best possible education and care for all children. Over the course of the Spring Term we will be asking you to support us by sharing your views about:

-the school as a whole
-behaviour and bullying
-curriculum

We would be very grateful if you could take a few minutes to share your views about the school by completing our Parent View questionnaire, looking at the school as a whole.

Please follow the link below to submit your feedback:

Your responses are important and help us understand what we are doing well and where we can make further improvements. Thank you in advance for your time and support.

Kind regards,

The Coppice Team
