Wednesday 25th February 2026

Dear Parent/Carers,

We will be celebrating World Maths Day on **Thursday 26th March.** World Maths Day is an important day celebrated every year since 2007 to express the love for Maths and to make it exciting and engaging for all children over the world! Its aim is to connect the global learning community and foster friendships between children of different cultures as they learn to excel in Mathematics together.

We would like to invite all children to come to school dressed in anything linked to numbers and symbols in Maths. Please see some examples below.

The children will be off timetable for the day and will be participating in lots of exciting Maths activities. These include outdoor activities, TT Rockstar battles, Maths games, dice games, Maths quizzes and competitions.

Please do not hesitate to speak to your child's class teacher should you need any more information.

We look forward to seeing your outfits on the day!

Best wishes,
Miss Pandya
