## FURTHER COMMENTS

28% of parents chose to share further comments. These fell into the following areas:

| YOU ASKED | WE DID/WE ARE DOING |
|---|---|
| **SCHOOL DINNERS** | We listened to your concerns and arranged an opportunity for children to meet with our school meals providers and share their thoughts on how things could be improved.<br><br>We invited our school meals provider to parents' evening and many of you had the opportunity to sample the food.<br><br>We will be meeting with the children again in the summer term to hear from them whether meals have improved. |
| **COMMUNICATION (PARENTMAIL, TIMES OF MEETINGS, RECORDINGS)** | We will be working with the office team to reduce the number of communications you receive via Parentmail.<br><br>Throughout the year we deliver a number of workshops for parents. We will be working with our school staff to record some of these workshops and making them available for a short amount of time on our website for parents to watch at more convenient times.<br><br>It is hard to meet everyone's needs with times of meetings. We will continue to offer meetings on different days of the week and at different times of the day to try to meet your different needs. We will provide summaries of parent forum discussions via parentmail to keep everyone as up to date as possible. |
| **BEHAVIOUR** | We have recently updated our Behaviour Policy and will be inviting parents into school next half term to hear about the changes and how it will work in school. Once we have launched it with you, we will share the changes with children and publish the new policy on our school website. |
| **SUPPORTING CHILDREN WITH HEALTH AND WELLBEING** | Over the Autumn term we have put a number of new things in place to support children with their wellbeing. We have introduced Friendship Groups and Self Esteem Groups for those children who parents or staff have shared concerns for. We continue to carry out Pastoral Check-ins with children and work with the Mental Health Support Team for both individual and whole class support. This half term we launched individual parent meetings for those children in receipt of Pupil Premium so that we can best understand the individual needs of our children.<br><br>In the coming terms you will also hear about our Poverty Champions who will be looking at the cost of school and how we can ensure it is accessible and equitable for all. |
| **HOMEWORK** | We really appreciate your feedback on this and the leadership team are working on a new model that looks at each year group differently. We will share updates for the Summer Term.<br><br>Challenge for more able children<br><br>We agree. Our school improvement priorities for 2025-2027 include raising the challenge for and the number of children achieving the greater depth standard |

## UNIFORM

We value our uniform and want our children to look smart and to have a sense of pride in our school. Our uniform policy has very recently been updated and shared with parents and is on our school website. Over the second half of the spring term staff will be working with children to get their uniform right. From the Summer Term we will expect to see all children fully adhering to our school policy. We have tried to ensure our uniform is easily available and affordable, without asking you to provide lots of unnecessary extras. We have a lot of pre-loved uniform available for free or a small donation.
