Thursday 11th December 2025

Dear Parents/Carers,

We are excited to let you know that Year 1 will be taking part in an African Explorer Zoolab Workshop in school on the afternoon of Thursday 15th January.

During the workshop, the children will have the opportunity to meet and learn about a variety of live animals from across the continent of Africa. They will explore how these animals live, what they eat, and how they move, making connections to our Science topic: Animals including Humans. It will be a fun, hands-on experience designed to inspire curiosity and learning.

Children do not need to bring anything for the workshop. The payment item for this workshop can be found in the shop area on ParentMail.

We are sure the children will have a wonderful time and come away with lots of new knowledge about African animals!

Kind regards,

The Year 1 Team
