Friday 19th December 2025

Dear Parents and Carers,

We are writing to inform you about an exciting educational visit planned for Year 4 to support our geography learning on natural disasters.

On Friday 30th January 2026, the children will be visiting the Natural History Museum to attend the "Emergency! Earthquakes and Volcanoes" show. This interactive experience will enhance the children's understanding of earthquakes and volcanoes and link directly to our current geography topic.

We will be travelling by bus and train:

- 150 to Hainault Station
- Central Line from Hainault to Mile End
- Change at Mile End to the District Line to South Kensington
- A short walk from South Kensington station to the museum

We will leave school at 11.30am and expect to return by approximately 3.45pm.

Please ensure your child comes to school with:

- A healthy packed lunch (no fizzy drinks or glass bottles)
- Comfortable shoes suitable for walking
- A waterproof coat
- Weather-appropriate clothing

We would like to invite six adults per class to join us if they are available; places will be allocated using a random name generator to ensure that all volunteers have an equal opportunity to attend trips.

Thank you for your continued support.

Yours sincerely,

Mrs Richards and Miss Sharma
