Tuesday 14th April 2026

Dear Parents and Carers,

We are excited to let you know that ZooLab will be visiting our Year 2 classes for a special hands-on learning experience.

The workshop, **"Climate Crusaders,"** links directly to our learning this term about the 'how to change the world' During the session, the children will explore important topics such as sustainability, habitats, biodiversity, and climate change. Through engaging animal encounters, they will learn how to care for our planet in a fun and memorable way.

The visit will take place on **Thursday 7th May** in the afternoon:

- **2S:** 1:00pm – 1:45pm
- **2P:** 1:50pm – 2:35pm

If you have any concerns regarding your child taking part, including allergies, phobias, or sensitivities, please let us know as soon as possible. We will ensure that alternative arrangements are made, and your child can be supervised in a different classroom during the session.

This is a wonderful opportunity to enrich the children's learning in a fun and engaging way.

Thank you for your continued support.

Kind regards,

The Year 2 Team
