Thursday 24th September 2026

Dear Parents/Carers,

As part of our annual collection for Harvest, a speaker from The Christian Education Project joined us for an assembly last week and spoke to the children about the significance of Harvest and the importance of donating.

Recent events in the economy have proven difficult for many families and now more than ever, people need a helping hand. At Coppice, we are striving to help the children to understand and appreciate how others live, as well as the impact their actions can have. Therefore, we kindly ask for you to donate whatever you can. **We are specifically collecting non-perishable food items such as tinned goods, pasta, rice, cereals long life milk and other cupboard staples. Please ensure that all items are unopened and within their use by date.**

You can make a change however big or small! Please bring all donations to your child's class by **Wednesday 21st October 2026.**

More information about the Redbridge Foodbank can be found on the attached link.

https://redbridge.foodbank.org.uk/

If you require further information, please contact myself or the school office who will be happy to answer any queries.

Thank you for your continued support.

Miss Ahmed
