CPS Autumn Home Learning Grid
Year 4 – Myths, Legends & Monsters

Daily: Reading	Weekly: TT Rockstars and Home Learning Grid

English

Write a diary entry from the point of view of an Ancient Greek. It can be any role you want – soldier, child, mother etc. What sort of activities would you complete or experience in a typical day? Include your thoughts and feelings in your diary entry.

English

Write a list of 20 words that we use today that are based on Greek words along with their meaning – how has Ancient Greek helped shape our language today?

English

Read a variety of traditional tales and myths. Which was your favourite and why? Create a comic strip of your favourite.

Creative

Greek temples were beautifully designed, with wonderful architecture and brightly painted sculptures. Using recycled items can you build your own Greek temple? (No bigger than the size of a shoe box please) Think carefully about what materials you might use and why you chose them.

History

Research and find out about the battle of Marathon – Who was involved in the battle? Who won? Why is it called the Battle of Marathon?

Maths

Make an abacus and then write an explanation on how it works – how can something simple like this help with quite big calculations

Creative

Greek pots were used to record scenes from everyday life. Draw your own version of a Greek pot (get the colours right!) with a scene from your home.

Creative

Write out the Ancient Greek alphabet then choose 5 English words and write them in Ancient Greek.

Maths

Research Archimedes – who was he and what important mathematical discovery did he make? Choose a way to share what you've found out with your teacher.

History

Research some of the Gods and Goddesses of an ancient culture, then create a fact file about your favourite. Make sure to include different subheadings and a picture

Geography

Find out what you can about modern Greece as a holiday destination; ask friends and relatives, look online, maybe even see if you can pick up a holiday brochure from the travel agents. Create a leaflet about Greece and why it would be a good place for a holiday.

Research

This term we will find out lots about the myths and legends of ancient Greece – choose a different culture and try to see what you can find out about myths and legends from a different time and place.

Oracy

Traditional tales are passed down orally – people tell them to one another. See if you can learn a traditional tale or myth well enough to retell it effectively from memory!
